

1st US-Japan Biostatistics Workshop

- Preliminary Program -

SEPTEMBER 26, 2003

Translational Research Informatics Center

1-5-4 Minatojima Minami-machi, Chuo-ku, Kobe 650-8543, Japan

- 10:00** Opening Remarks
Masanori Fukushima, M.D., Ph.D.
Professor, Translational Research Center
Kyoto University Hospital
- Session I** Innovative Design and Analysis in Cancer Clinical Trials
10:20-12:20 Session Chairperson
Hideki Origasa, Ph. D.
Professor, Biostatistics
Toyama Medical and Pharmaceutical University
- 10:20** CRM (Continual Reassessment Method)
Naoki Ishizuka, Ph. D.
Biostatistician, Data Center
Japan Clinical Oncology Group
- 11:00** Dealing with Multiplicities in Dose-Finding Trials
Peter F. Thall, Ph.D.
Professor, Biostatistics
University of Texas, M.D. Anderson Cancer Center
- 11:40** Some Design Issues in Cancer Clinical Trials
John Crowley, Ph.D.
Director, Statistical Center
Southwest Oncology Group
- 12:20** Lunch
- Session II** Statistical Analysis on Integrating Gene Expression Profiling into Clinical Trials
13:20-15:20 Session Chairperson
Shigeyuki Matsui, Ph. D.
Associate Professor, Pharmacoepidemiology
Kyoto University
- 13:20** Issues in Significance and Prediction Analysis of Gene Expression Data
Shigeyuki Matsui, Ph. D.

- 14:00** Correlation of Gene Expression Profiles with Survival Times
Dona K. Pauler, Ph.D.
Biostatistician, Statistical Center
Southwest Oncology Group
- 14:40** Directed Indices for Exploring Gene Expression Data
Michael LeBlanc, Ph.D.
Biostatistician, Statistical Center
Southwest Oncology Group
- 15:20** Break
- Session III**
15:50-17:20 Statistical Issues in Analysis and Interpretation of Clinical Studies
Session Chairperson
Masayuki Imamura, M.D., Ph.D.
Professor, Surgery and Surgical Basic Science
Kyoto University
- Toshihiko Morikawa, Ph. D.**
General Manager, CDM and Biostatistics
Takeda Chemical Industries, Ltd.
- 15:50** Interpretation of Clinical Trials from the Perspective of Clinicians
Shunzo Maetani, M.D., Ph.D.
Director, Statistical Analysis Group
Tenri Institute of Medical Research
- 16:20** Development and Evaluation of Measurement Methods for Clinical Trials
Eisei Oda, Ph.D.
Biostatistician
Translational Research Informatics Center
- 16:50** Exploring Between-Study Heterogeneity in Meta-Analysis
Satoshi Teramukai, Ph.D.
Assistant Professor, Translational Research Center
Kyoto University Hospital
- 17:20** Final Remarks
Kiyoyuki Furuse, M.D.
Director
The Japan Multinational Trial Organization
- 17:30** Reception
